

Eclipse 3™ with autoSAT® Technology

Personal Ambulatory Oxygen System®

THE OXYGEN YOU NEED—THE FREEDOM YOU DESERVE

Some want the freedom to go at a moment's notice, with a lightweight portable system that offers a wide range of settings. Others want the peace of mind that a robust, dependable stationary oxygen system provides. Now you can have the best of both, with one system, The Eclipse 3™. Your Personal Ambulatory Oxygen System.

AMBULATE.

LIBERATE.

CELEBRATE.

you have the freedom to be adventurous

You can decide how oxygen therapy will affect your lifestyle. Take an active role. Enhance your quality of life. Choose to thrive. The Eclipse 3 with autoSAT Technology, the Personal Ambulatory Oxygen System, can help you achieve the freedom you deserve.

The Eclipse 3 is a single solution with both continuous and pulse dose options. It's the only personal ambulatory oxygen system on the market—a concentrator powerful enough to be your stationary system and mobile enough to ambulate. Use it around the house, the town and the world.

- Operates up to 13,123 feet in altitude
- Has both continuous flow and pulse settings
- LTOT Continuum—Resting, Activities, Sleep, Altitude

Ambulate

SEQUAL PULSE OXIMETER ITEM #7568

✦ Small & Lightweight ✦ 6 Display Modes ✦ Dual-Color OLED Display

MONITOR YOUR O₂ LEVELS ANYTIME, ANYWHERE

AMBULATE

Be adventurous. The Eclipse 3 keeps up with various activities of your life while providing an unwavering oxygen supply through several power options. You now have the opportunity to plant flowers in your garden; walk to your best friend's house or fly to Italy with loved ones.

- ✦ Sleek design is small, lightweight and easy to maneuver
- ✦ Telescoping-handled cart facilitates movement in or outside the home
- ✦ AC, DC and rechargeable battery enables longer excursion times and extended overnight travel anywhere in the world
- ✦ Allows for increased activity levels
- ✦ FAA approved for commercial airline travel

ECLIPSE TRAVEL ACCESSORY KIT ITEM #5093

- ✦ Contents include Eclipse Travel Case (#5010), Desktop Charger Kit (#7112), Eclipse Power Cartridge (#7082)

THE PERFECT ALL-IN-ONE ACCESSORY, OVERNIGHT TRAVEL MADE EASY!

You have the freedom to simplify

The Eclipse 3 can remove some of the burdens associated with being on oxygen. Using one system as both your stationary and portable unit simplifies your life, your living space and can give you more independence. As the highest oxygen producing POC on the market, we provide flexibility.

The autoSAT feature of the Eclipse 3 adjusts to your respiratory rate as it increases and decreases. autoSAT provides you unparalleled performance without limiting available oxygen, enabling the unit to automatically adjust to increased oxygen demands that occur as a part of everyday life.

- autoSAT® Technology
- No more storing oxygen tanks
- No more waiting for cylinder deliveries

←..... *Liberate*

ECLIPSE PROTECTIVE COVER ITEM #5052

+ Protects against spillage & inclement weather + Clear window allows access to the control panel + Secured by a zipper closure

REDUCES EXTERNAL WEAR AND TEAR

LIBERATE

Experience independence. Now you get to choose how you live and dramatically improve your lifestyle. The Eclipse 3 eliminates the fear of running out of oxygen giving you peace of mind.

- + Provides a continuous supply of oxygen by extracting it out of surrounding air
- + Lower electric bills—uses up to 70% less energy than other stationary concentrators
- + Reduced noise and heat levels
- + Produces 3,000 mL of oxygen
- + autoSAT® Technology—pulse delivery system that maintains a consistent bolus size for every breath as your respiratory rate increases and decreases

ECLIPSE WHEELCHAIR PACK ITEM #5220

+ The Eclipse fits neatly into the main compartment and allows for battery access

ATTACHES TO ANY WHEELCHAIR USING ADJUSTABLE, BUCKLE-STYLE CLIPS!

y

ou have the freedom to go where life takes you

Life doesn't stop with the prescription of long term oxygen therapy. With the Eclipse 3 you can go... to the store for a last minute purchase, the movies with the grandkids or a roadtrip across the country.

Life is a series of moments... make the most of yours!

The Eclipse 3 can be your 24/7 all-in-one solution, whether for day or nocturnal needs. With the power to do continuous flow up to 3 LPM and a max bolus size of 192mL in the pulse dose setting, the Eclipse 3 can adapt as your COPD progresses.

- Being adventurous
- Creating simplicity
- Enjoying quality of life

Celebrate

ECLIPSE POWER CARTRIDGE ITEM #7082

+ Provides up to 5.0 hours of power + Can be recharged in unit or using the Desktop Charger (#7112)

CELEBRATE

Encouraging the greatest quality of life. Whether it's going on a cruise or watching your child get married the Eclipse 3 allows you to live up to life's potential. You can be spontaneous, flexible and free spirited.

"The Eclipse is a little precious package of freedom! With the Eclipse, I can storm out of the house, use the batteries and I am free" —Roxlyn C., Denver, CO

"It is really very simple, I need continuous flow when I sleep and the Eclipse is the only portable oxygen system that can give me that option. Now, when I plan overnight trips, I just pick that little doggy up and go" —Ed B., Tampa, FL

"With the Eclipse, we can use it at home, but also for running errands, traveling and sleeping. I've taken the Eclipse on road trips, flights and two cruises. I've been around the world with the Eclipse" —Keith P., Eagle, ID

DESKTOP CHARGER KIT WITH POWER ADAPTER ITEM #7112

+ Charges the Power Cartridge in less than 3 hours

USE ANYWHERE IN THE WORLD!

The Eclipse 3 with autoSAT Technology is available from your local provider. Oxygen systems are typically covered by insurance carriers, so check with your carrier regarding coverage and payment. Reimbursement may be available through Medicare and Medicaid. Contact your local provider and ask for the Eclipse 3 by name.
